Forwards a Resolution dated 6 8 48 of the Challakere Town Municipal Council on the Subject

1) The Challakere Town Municipal Council has proposed the Convening of an All Mysore Town Municipal presidents, Vice presidents and members Conference at Challakere during 48 49 under the presidentship of the Minister for L S G They further desire H H the Maharaja to inaugurate the Conference and Grant the other Town Municipalities to Co-operate in their efforts

2) Though such a Conference would no doubt offer an unique opportunity for discussing Common problems it is likely to involve considerable expenditure which the municipalities concerned should bear A similar Conference was recently held in the neighbouring province of Madras

3) If H H should inaugurate the Conference as desired by the Sponsors the

2208/sml.

Organising an All Mysore Town Municipal President's Vice-presidents and members Conference during 48 49

date of the Conference should first be fixed to consult his Highness pleasure which however could only be after the Diwan to whom

4) The views of the the Town Municipal Councils are also necessary to ~~held~~ be obtained before the Conference is held

5) There has been a move for a Conference to be similarly held at Mysore, and it is not known whether the Town Municipalities could participate in this, and, consequently whether the need for holding any such Conference at Chellakere may not exist, if the Town Municipalities are to be invited to the proposed Conference at Mysore

6) Submitted for orders

7) The Chellakere Municipal Council may be requested to furnish further information on the following points - ~~before proceeding further~~

(1) For how many days the Conference is proposed to be held

(2) The approximate no of delegates expected

(3) What arrangements can be made for the housing and other conveniences for the delegates and other visitors and where the Conference itself is proposed to be held, i.e. whether in a building big enough is available or whether a pandal is to be constructed. If the latter the Conference can be held only after the rains have stopped

(4) How the expenditure in this behalf is to be met

8) Challakere which was the
HQ till 1 12 46 was converted
into a Taluq HQ from 1 1947
We proposed to hold a conference
of the kind to indeed too big
cost an ambitious one to be
undertaken by this HQ at this
stage there is difficulty for
adequate food supply in all parts
of the state it would entail
much expe which is best
avoided in the present financial
condition of the HQs, as they would
have evidently to bear a extra
proportion of the expe by contributi
in the shape of travelling allce
for their members (delegates)
In view of the above facts, the
resolution is for orders

7) I think there is no need
for such a conference at Challakere

10) I agree with the Secretary that there is no need for such a conference to be arranged at Calicut headquarters with Chittoor Board the object of the conference may be ascertained from the DC Chittoor And also the opinion of other Municipalities in the State in respect of the above resolution may be called for.
